OLD BUSINESS

Panel 4 & 5

Need people first, then date & location.

Agenda & planning documents will be sent to those interested

NEW BUSINESS

Ask in groups for step study participants. Was decided that new blood is needed for next round.

Website received a letter from Quillen School requesting a panel of various "A" programs to hold a panel @ Rebo. Mike M and Morgen to work together on response.

Rebo must be approached for rental of facility, which means any decision is likely 60+ days out.

Various individuals may participate, but this cannot be supported by AA as a whole
(Tradition 6)

Anonymity must be preserved (no last names, photos, likenesses)

Proposed date in letter likely not possible (too soon)

Meanwhile, Alt DCM (Paul H) will need to step up
